Savannah Gateway - The Strategic Advantages of Coastal Georgia

Please join the World Trade Center Savannah and its delegation of Economic Development Authority Executives to learn about trade and investment opportunities between Germany and the Coastal Region of Georgia.

Learn more about the ways in which Coastal Georgia can serve as a gateway to the United States, through sales, strategic partnerships, or additional locations for your business.

- The Coastal Georgia region is home to more than 10 German-headquartered companies.
- The region is home to the Port of Savannah, the 4th largest and fastest growing port in the United States.
- With more than 30 aerospace companies located in the region, including Gulfstream Aerospace Corporation, the area has become a true aerospace supplier cluster.
- The region has a number of strategic assets for companies operating within the industries of advanced manufacturing, logistics & distribution, agribusiness and food processing.
